Ceramics in practice

"Clay Creations and Timeless Treasures: A Journey through Ceramics and Ancient Civilizations"

Clay, a primal substance, alongside soil and water, is a fundamental raw material—simple, abundantly provided by nature, and enduring through the ages. It possesses the unique ability to shape, transform, encapsulate, and give form to dreams, fantasies, needs, beliefs, and doctrines. In this ceramic workshop, we will embark on a journey to explore this ancient art form through play and enjoyment.

Throughout our time together, we will also delve into history by examining the statues, figurines, amphoras, jewelry, and artifacts on display, offering insights into the Minoan, Cycladic, and Mycenaean civilizations, as well as the Classical period

Type of activity: Ceramics lesson in a workshop, combined with a visit to a museum of ancient copies. Preparation of an item in the workshop and possibility of receiving it. Custom, semi-private. Aimed at people 6 years and older (children are offered the customized activity) | **Duration:** 45 minutes of actual activity - 30 minutes to visit the exhibition area | **Included:** The instructor, The special place for the workshop and the equipment, The materials for the activity | **Meeting point:** The place of activity, 17km from the city of Nafplio (directions provided with the booking) | **Min. – Max:** 4 – 40 people | **Starting hours:** 10:00 earliest starting time - 16:00 latest starting time | **Languages:** Greek, English | **Tip:** It is possible to combine the activity with a visit to an archeological site in the area. Ask for information.

Cost from: €20,00 per person
